Mothers Training Program

Topic: Emotional abuse

Firstly mothers gave understanding about topic then elaborate the topic

Emotional abuse is any kind of abuse that is emotional rather than physical in nature. It can include anything from verbal abuse and constant criticism to more subtle tactics such as intimidation, manipulation and refusal to ever be pleased.

There are three general patterns of abusive behavior include

- Aggressing
- Denying
- Minimizing

Blaming, shaming and name calling are a few verbally abusive behavior which can affect a child emotionally.

Try to build your relationship with children on behalf of your good behavior your love and care.

- Mothers are directed to be careful and make precautionary arrangements with the changing.

General Report of CPP

Topic: Identifying and belonging feeling with SOS

First of all topic was explained by psychologist

- Psychologist elaborate the topic with examples and made the group understand about how one's defined their self and what our views about ourselves is.
- We become what we think of ourselves we act the way we perceive ourselves if we have positive views about ourselves we will tend to develop positive traits in ourselves.
- Then psychologist explained to the group about how they are being defined by others
- Every child had a good understanding of the topic. The main concern of explaining this topic to children was to relate and have an understanding of their mental with the help of SOS village and they should be proud of it.
- Counselling session ended with the slogan.

"We belong to SOS and we are proud."
