Eid-ul-Azha Celebrations:

Date: 7th – 9th June 2025

Nature of Event: Religious and Festive Celebration

Guests and Donors: Desert Moon Foundation

Event Write-up:

Eid-ul-Azha was celebrated with great enthusiasm and unity at SOS Children's Village Multan. The occasion began with congregational Eid prayers offered by all children and staff, setting a spiritual tone for the celebrations. Children were delighted to receive new Eid clothes and shoes, generously sponsored by the Desert Moon Organization, which added to their joy and excitement.

In keeping with tradition, sacrificial animals were offered over the three days of Eid. The Village also received generous in-kind donations of meat, ensuring that every home within SOS Multan participated in hearty, festive meals. The celebrations created a warm, inclusive, and memorable Eid experience for all, reinforcing a sense of community and gratitude.

Career Counselling Session with Ms. Zainab:

Date: 28th June 2025

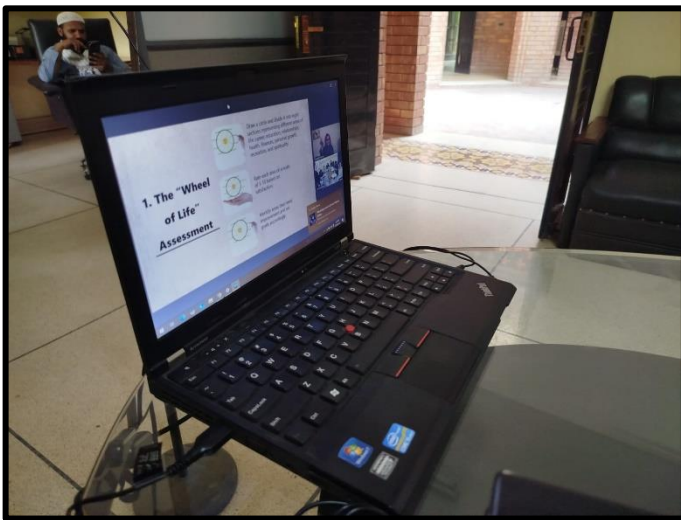

Nature of Event: Career Guidance Session

Guests and Donors: Ms. Zainab

Event Write-up:

A focused and interactive career counselling session was held for the youth girls of SOS Children's Village Multan on 28th June 2025, led by Ms. Zainab. The session aimed to provide guidance on career exploration, goal setting, and educational pathways.

Ms. Zainab shared valuable insights into various professional fields, helping participants understand their strengths, interests, and the opportunities available to them. The session encouraged confidence building and informed decision-making. The participants actively engaged in discussions and appreciated the clarity and motivation they gained through this valuable initiative.

SOS Hermann Gmeiner Higher Secondary School Multan

Total Strength of Students: 1441

Need-Based Teacher Training Workshops – 2025:

Conducted On: 23rd June to 28th June, 2025

Timing: 9:00 AM to 11:30 AM

Aim of the Activity:

To equip teachers with practical strategies, reinforce professional ethics, and address real classroom challenges through collaborative problem-solving and the sharing of experiences.

Purpose of the Activity:

The series of need-based teacher training workshops was organized to enhance professional competencies, improve classroom practices, and increase student engagement through focused discussions and solution-oriented dialogue.

Senior staff members were selected as resource persons based on their experience and professional expertise. They led the sessions, shared relevant classroom practices, and offered practical solutions to common challenges. Their insights, grounded in years of teaching experience, enriched the sessions and helped contextualize the topics discussed.

Key Topics Addressed:

1. Teacher Grooming and Student Grooming
 - Promoting social equity between SOS and community students
 - Handling mixed-ability students
2. Mentorship and Collaboration
3. Teacher as a Problem Solver
4. Lesson Planning and Execution
5. Time Management and Effective Classroom Management
6. Notebook Checking and Rechecking

All teachers, along with Vice Principal Mrs. Kanwal Farooq, actively participated in the workshops. Each session featured in-depth discussions, with educators contributing ideas and exploring various solutions to the challenges presented.

At the conclusion of the training series, Vice Principal Mrs. Kanwal Farooq acknowledged the dedication and active involvement of all participants. She encouraged the teaching staff to implement the strategies discussed for the continued academic and personal growth of both students and teachers.

NAVTTC Digital Marketing & Plumbing – Final Assessment:

The final assessments for the NAVTTC Digital Marketing and Plumbing trades were conducted on 18th June 2025. CBTA-certified assessors, appointed by NAVTTC, carried out the evaluations in full compliance with established SOPs. The results were uploaded the same day on the NAVTTC NSIS portal under the direct supervision of the assessors.

PSDF Visit by Ms. Nabiha Fatima – Transgender Skill Development Classes:

On 23rd June 2025, Ms. Nabiha Fatima from PSDF visited the transgender skill development classes to monitor the program's implementation and progress.

During the visit, Ms. Fatima engaged with the trainees, attentively listening to their feedback and experiences. She expressed her appreciation for the inclusive training environment and

acknowledged the positive impact of the initiative. Constructive recommendations were also provided to further strengthen the quality and delivery of the training.

Guest Trainer Session – NAVTTC Beautician Class by Ms. Huma (Bremode Company):

On 24th June 2025, Ms. Huma, a professional from Bremode Company, conducted a specialized training session on Hair Rebounding for NAVTTC Beautician students.

This industry expert-led session focused on advanced techniques and practical application, featuring a live demonstration. Trainees were given hands-on opportunities under expert supervision, significantly enhancing their confidence and technical capabilities. Ms. Huma also shared valuable insights into salon standards and professional client handling, preparing students for real-world industry demands.

Digital Literacy Session – Circle Organization Collaboration:

In collaboration with Circle Organization, a Digital Literacy activity was held on 24th June 2025, aimed at promoting digital skills and awareness among underserved groups.

The session introduced participants to fundamental digital tools, safe internet practices, and basic technology usage. With enthusiastic participation from women and youth, the event fostered an inclusive learning environment and emphasized the importance of digital competence in both personal and professional spheres.

PSDF Transgender Scheme – Final Examination:

The final examination for the PSDF Transgender Skill Development Scheme was successfully conducted on 26th June 2025, marking the formal conclusion of the training cycle.

The assessment was carried out in a structured, respectful, and inclusive setting, fully aligned with PSDF's guidelines to ensure fairness and transparency. Trainees demonstrated significant skill advancement and engagement throughout the course, reflecting the program's overall success and impact.
